PRODUCT DATA SHEET (PDS)

LITHIUM MULTIPURPOSE GREASE

DESCRIPTION

Comet Multipurpose Grease is a premium quality grease thickened with lithium soap and fortified with functional additives to impart oxidation and corrosion resistance. Comet Multipurpose Grease provides maximum protection by adhering well to the lubricated bearing surfaces sealing them from dirt and abrasive contaminations.

APPLICATIONS

- Recommended for multipurpose applications including high performance wheel bearings, chassis points and water pump bearings.
- All normal greasing applications in automotive, agriculture, construction and industrial.

FEATURES & BENEFITS

- Excellent oxidation stability.
- Anti-Rust & Corrosion Additives.
- Performance additives to enhance the life & performance of the grease.

HEALTH AND SAFETY

Prolonged and repeated contact with grease may cause skin disorders. In case of skin contact, wash immediately with soap and water. Do not discharge used oils in to drains or environment. Dispose at authorized used oil collection point.

NB: Buckets and drums for greases should be stored upright and the surface of grease should be smothered to avoid separation always store on temperatures between -5 to 40 °c
